

St Christopher's School

Weekly News
Friday 22nd May 2020

Dear Parents

The sun has shone brightly this week but not as brightly as our talented pupils! Just look at the amazing things that they have been doing this week. Pages 2 and 3 are full of colourful images that make us all feel connected and happy when we see them. Year 2 have been asked to think of how they are feeling right now and to spell that word out using household objects. Do see Twitter for this wonderful montage. They have also been writing some sublime poems about the sea which are particularly enjoyable to savour during this warm weather.

Year 1 have brightened the week with their beautiful flags chosen to support their topic all about islands. There are so many different countries all over Seesaw whose flag the children have carefully chosen to research and it gave me a big problem when choosing a few to show on page 2. Well done Year 1.

Reception have been subtracting everything in sight! There have been some very entertaining videos on Seesaw with teachers getting up to all sorts of tricks when 'taking away' things. Well done children with your hard work showing the teachers what super mathematicians you are.

Nursery and Pre-Reception have been learning about post officers. It was the perfect opportunity to think of those that we cannot visit and send them a letter! They found out how to weigh and measure a letter or parcel and sort them by shape. They also designed their own stamps. Do see page 3 for some delightful photos.

In Wednesday's Assembly Cookie Bear was inspired by last week's costume dress-up day for Year 1 and his virtual hugs were delivered by him wearing a very smart Spiderman costume!

In Friday's Assembly it was time to think about wishes. Wishes are important to consider even if they cannot come true for, just thinking about something or someone special can keep them safely in your heart. We also thought about the type of wish that could come true if we supported our wish with a little bit of effort and I look forward to hearing about your wishes in response. For me it is easy. My wish is to have you ALL back together enjoying our special time at St Christopher's. Part of that wish cannot come true yet, but I am working as hard as I can to help my wish succeed and in the meantime I am enjoying seeing your happy faces on Evidence Me and Seesaw and I am so very proud of you all.

Next week is half term and it is time to stop all of your hard work and have a break.

Remember to stay safe and look after each other.

Mrs Annie Thackray, Headteacher

Merit Awards

**Daniel B-P, Emily S, Daniella B, Nikhil K
Conall R, Zachery R, Maximo Y, Ariana A, Nereya P,
Baxter M, Alistair H and Nicholas Z**

Philosopher of the Week 1

Ava C

Will we always Exist?

Philosopher of the Week 2

Alistair H

Is it good to take other people's lands?

Highlights of the Week

Year 2 produced some lovely poetry about the sea. Other highlights on this photo page belong to Year 1 and their study of island flags. The glorious examples have really added a splash of colour. Well done!
