Dear Parents,

Achievement Award

We are thrilled to share some incredible news from our school community. This week, we were excited to present the prestigious St Christopher's Achievement Award to Sam from Year One. Sam's remarkable journey and outstanding achievements have left us inspired and proud. Sam is not only the first recipient of the Achievement Award this year, but he also holds the distinction of being the youngest recipient to date.

Earlier this year, Sam participated in the "Fun Flair Festival" for football, showcasing his talent and passion for the sport. Out of over 650 children, only a select few were chosen to compete in the final at Chelsea's training ground. Sam's outstanding performance earned him a coveted spot in the Chelsea FC under 6 pre-academy, a remarkable achievement at such a young age. We were honoured to welcome Sam's family to our assembly, where he received the Award in the presence of our governor Mrs Hibbert. Congratulations Sam on this extraordinary accomplishment!

Sporting News from Mrs Pryor

As we near the end of another exciting term, we wanted to share some highlights from the PE department at St Christopher's. Here's a glimpse of what our children have been up to:

Nursery Fun: Our youngest learners in the Nursery have been busy developing their fundamental movement skills. They've been exploring balance and spatial awareness through imaginative activities, such as pretending to be astronauts in their spaceships. It's been all about fun and exploration in Nursery PE!

Reception Musicals: Reception children have been diving into the world of musicals! They've created and performed two fantastic dances inspired by "Moana" and "The Lion King". Alongside their dance routines, they've been honing their catching, throwing, and kicking skills in game sessions, ensuring a well-rounded PE experience.

Year 1 and 2 Fitness: Year 1 and 2 pupils have shown great determination and effort in completing the multi-stage fitness test. Their results are something to be proud of! Additionally, Year 2 have been busy crafting gymnastics routines using trampettes and showcasing their skills in a class "sports acro" display set to the "Star Wars" theme tune.

Sports Variety: Across all year groups, pupils have had the opportunity to explore a range of sports, including football, hockey, rugby, and basketball. Next term, we're gearing up for summer activities such as cricket, tennis, and athletics. We can't wait to enjoy the sunshine and get active outdoors!

It's been a fantastic term filled with learning, teamwork, and lots of fun in PE. We're incredibly proud of all our pupils for their enthusiasm and achievements!

Easter at St Christopher's

What a joyous and festive day it has been! Today was filled with Easter-themed activities that brought smiles to our faces. From the delightful Easter Bonnet parade to the exciting Easter Egg hunt, the day was brimming with fun and laughter. The presence of the Easter bunny added an extra touch of magic to our celebrations, thank you to the PTA for arranging this special visit.

The creativity and effort put into the Easter Bonnets were truly remarkable, and it was a delight to see all the wonderful designs on display during the parade. The

excitement of the Easter Egg hunt brought out the spirit of adventure in our children as they searched for hidden treasures around the school grounds.

As we come to the end of this term, I would like to take this opportunity to express my heartfelt wishes to each and every one of you for a joyful and restful Easter holiday. May this time be filled with cherished moments spent with loved ones and an abundance of happiness.

We look forward to welcoming you all back on Wednesday 17th April for another exciting term at St Christopher's!

Mathematics Achievements in Year Two

Congratulations to Micah, Rebecca, Jack, James, Karen, Meili and Daniel for achieving their Bronze Stars for their Timestable Challenge and a huge well done to Olivia for achieving her Silver Star.

Best wishes

Mrs Grehan
