

ST CHRISTOPHER'S SCHOOL and NURSERY **(including the EYFS and Before and After School Care)**

Children Missing in Education Policy

The welfare and safety of all our children at St Christopher's School is our paramount responsibility.

A child being absent from education, for prolonged periods and/or on repeat occasions, can act as a vital warning sign to a range of safeguarding issues including abuse or neglect, child sexual and/or criminal exploitation and county lines. It may indicate mental health problems, risk of substance abuse, risk of travelling to conflict zones, risk of female genital mutilation, so called 'honour'-based abuse or risk of forced marriage. Every adult who works at the school has been trained to appreciate that he or she has a key responsibility for helping to keep all of the children safe at all times.

This includes the importance of effective information sharing to ensure our children are safe and receiving suitable education. Early intervention is necessary to identify the existence of any underlying safeguarding risk and to help prevent the risks of a child going missing in future. Where staff have concerns that a child is absent from school, this policy should be followed.

Every member of our staff who works with children has read Part 1 of Keeping Children Safe in Education (KCSIE). Our staffing ratios are generous and are deliberately designed to ensure that every child is supervised the whole time that he or she is in our care.

Action to be followed by staff if a child fails to attend first day of school

All new pupils (regardless of their age) are placed on the School's admission register at the beginning of the first day on which the School has agreed that the pupil will attend the School. If a child fails to attend on the agreed date, staff must inform the Headteacher (who is the Designated Safeguarding Lead) without delay. The Headteacher will consider notifying the local authority at the earliest opportunity.

The School admission register, also known as the School roll, contains specific personal details of every pupil in the School along with the date of admission or re-admission to the School, information regarding parents and carers, and details of the school last attended. The School also has an attendance register which records pupil attendance.

Where there are changes affecting the child (including a change of address or school), these will be reflected in the admission register. This will assist the School and external agencies when making enquiries to locate any missing children.

Registers are legal records. The School will preserve every entry in the attendance or admission register for 3 years from the date of entry.

Duty to Report

The School monitors attendance of its pupils closely and will take action to address poor or irregular attendance.

The School will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school's permission for a continuous period of 10 school days or more without permission.

Where a pupil has been continuously absent without authorisation for a period of not less than 20 school days (and there are no reasonable grounds to believe the pupil is unwell or unable to attend because of any unavoidable cause), and the School and local authority have failed, following reasonable enquiry, to ascertain where the pupil is, the School may delete the pupil's name from the admission register. The School will inform the local authority of such deletion no later than the time at which the pupil's name is deleted from the register.

In addition, the School recognises its wider reporting duties following deletions from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006, to help identify children who are missing education and/or otherwise at risk of harm.

The School also recognises that children who are absent from education particularly on repeat occasions and/or prolonged periods can act as a vital warning sign to a range of safeguarding issues. The School's response to persistently absent pupils supports identifying such abuse, and helps prevent the risk of them becoming a child missing education in the future.
